NOTE: All fluorescent fixtures wired for 60 cycle — 110-125 volt A.C. L.P.F. only.

HOUSE OF FIXTURES

Whether you're building one house—or putting up a whole community of homes—here's the ideal way to buy all your electrical fixtures, at a real saving of time and money! For Minute Mount packages in one convenient carton all the necessary fixtures for every room. There's a carton for the two-bedroom as well as the three-bedroom house—each containing attractively designed fixtures for bedrooms, dining room, hall, kitchen, bath, and outside lantern.

Economies effected by this manner of distribution make possible an extraordinarily low package-price. Which means more value in top quality Minute Mount fixtures!

No. 2 Package — for 2 Bedroom House

Contains two No. 212W and one each Nos. 1314W, 348, 342, 600 and 353.

No. 3 Package — for 3 Bedroom House

Contains three No. 212W and one each Nos. 1314W, 348, 342, 600 and 353.

NOTE: In addition to these two "cartons" we can furnish any desired assortment of items selected from this catalog.

Available with House of Fixtures

No. CH200 Chime—2 notes at front, 1 at rear. White Bakelite. 7½" x 5" x 2½" deep.

No. T-10 — 10 Volt Transformer with universal mounting.
